

# INDIANS MODERN WORLD SCHOOL

CBSE  
CURRICULUM

# PROSPECTUS

**Mr. Sakhivel Panneerselvam**  
**Chairman**

## Chairman's Message

Learning should be based on doing things and not solely knowing things. Until and unto learning solutions associate to real life and stimulate the scholar to acquire and apply the knowledge, the whole process will prevail superficial. Our institution has set specific goals and proposed actions for accomplishing excellence in all compasses of school education.

## VISION

We aim at providing a positive learning environment, where learning is fun and part of life.

## MISSION

Our mission is to promote the total development of a child in the areas of physical, mental, emotional, social and cultural aspects. This helps a child become adult who could help themselves in the ever-changing world.

**“WE GIVE THE BEST OF EVERYTHING TO OUR STUDENTS”**

---
